2502/55 **Minutes**
It was **resolved**, with no votes to the contrary, that the Minutes of the meeting held on Thursday 28th November 2024 be approved as a correct record.

2502/56 **Public Space Protection Order**
Members were informed that the Public Space Protection Order is for a complete ban of dogs on designated sports pitches and therefore dogs would be banned from the pitches at Tews Lane, however, dogs could be walked on a lead around the perimeter of the site. Members noted that this would achieve the Committee's aspiration and remove the health and safety issue posed from the conflict of dog fouling and the sports use of the site.

It was therefore **resolved**, with no votes to the contrary, to agree to add the Queen Elizabeth II Playing Field to the Public Space Protection Order. It was further agreed to put on the Parish Council's social media and newsletter for information only.

2502/57 **Tews Lane Pavilion**
Members were informed that Planning permission had now been granted for the completion of the building, the architect is currently preparing the paperwork for the tender process, and it was agreed for a specification for the electrics that would be required to be provided within the tender paperwork and to specify the use of local contracts. It was **resolved**, with no votes to the contrary, to note the information.

The meeting ended at 12.20pm
